Our mission is to provide Safety, Hope, Advocacy, Respite and Education for those impacted by crisis and violence in the Fox Valley Region and Illinois.
The Community Crisis Center began in 1975 as a grassroots effort to address the reality that women in crisis often had few options available to them to improve their situations. Our early organizers believed that providing safe shelter and support for these women and their children would allow each woman to overcome crisis, identify her strengths and needs and then move on to a healthier life free from violence and poverty.

43 years later, we have grown into a professional social service organization that provides services to individuals affected by domestic violence, sexual assault, homelessness and other life crises. We have not forgotten our grassroots origins. We still believe in the power and ability of the individual to take steps and make decisions that will allow him or her to move out of crisis towards self-sufficiency. Staff members and volunteers provide support and connect the individual in crisis to resources appropriate to each situation.

“Look for the helpers. You will always find people who are helping... there are still so many helpers – so many caring people in this world.” Fred Rogers

Donate
Your investment in the Crisis Center directly affects thousands of people every year. A financial gift can be made in many ways. Write a check, donate stock, join our Legacy of Caring with a planned giving gift, or designate the Crisis Center as the beneficiary of a gift annuity, charitable trust, life insurance policy or other planned giving instrument.
