## 30th Auction Success!

The Annual Benefit Auction held on 3/11/17 at the St. Charles Q Center, is the largest fundraiser for the Crisis Center. The theme for this year's gala was "Night and Day". Our featured music was provided by Riley Elmore, whose appearance on "The Voice" has made him a local celebrity.

Terry Dunning and daughter Shawn Dunning were the guest auctioneers. The crowd was lively and the bidding was robust! Hot items includ-

ed a trip to Africa and a beautiful hand made birdhouse.

In addition to the Silent and Live Auctions, old favorites were back, including the Wine Pull and Beer Pull. This year we added a Gift Card Pull.

It was a wonderful evening with delicious food, exciting items and good friends. Thank you to everyone who volunteered, donated, or attended; we couldn't do it without you.

# Celebrating Life

## Sally Hoffman left a legacy of caring

Sally Hoffman a passionate and dedicated advocate for children, human rights, equal rights, and non-violence died on December 29, 2016 following an extended illness. For 17 years she was the Coordinator of the Children's Program at Community Crisis Center, where she worked tirelessly to provide a safe nurturing environment where children are free to express feelings, play peacefully, learn non-violent behaviors and begin to understand the dynamics of domestic violence. She was responsible for developing and expanding the programming for children from families dealing with domestic violence or homelessness. During her time at the Crisis Center she grew the program to include counseling and therapeutic support to children and teen witnesses of domestic violence and offering family counseling and parental support to the mothers of these children. She developed the theme "*hands are for helping, not hurting*" which we still use as a helpful tool for working with preschool and elementary school-aged children.

Sally worked within the Elgin Community. She was an original member of the All Peoples Interfaith Pantry Board, serving on that board for 15 years. She also was on the original committee for the Elgin Community Toy Giveaway, continuing on that committee for several years past retirement from the Crisis Center.

After retirement in 2007,

Sally worked to advocate for victims of domestic violence and their children within their faith community. In November of 2008 the Blackhawk Presbytery (89 Presbyterian churches in northern IL) began a Domestic Violence Awareness Network with 5 pastors and Sally as facilitator.

She also guided the Safe Church Policy Task force for her church, First Presbyterian Church in Elgin, guiding them through the process of writing a policy in 2008.

Sally received numerous awards from church and community including being the first recipient of the Illinois Coalition Against Domestic Violence volunteer award "One Mission, One Voice."

In 2013 year The Community Crisis Center was proud to give Sally the *Partners in Peace Lifetime Achievement Award*. This award is given to persons who have devoted their lives to the pursuit of safety for Domestic Violence Victims and healthy living for all.

Sally was a peacemaker and an excellent role model for children and adults, quietly leading by example. Involved, caring, passionate, dedicated and committed to what she believed is right she helped others do and be more than they ever thought possible.

Sally was a dedicated advocate for ending violence against women and breaking the cycle of violence.

We are grateful to have had Sally in our midst.

## We only do what we do with the aid of the community

### Elgin Kiwanis

Community Crisis Center, Inc. received a **\$2,750** grant in February that will cover the cost to purchase fresh milk, baby formula and breakfast foods for the children and infants staying in our Shelter Program.

The Kiwanis Club of Elgin has partnered with the Crisis Center for years to improve the lives of our youngest clients. "When we ban together we can accomplish great things. We are so honored to partner with the Kiwanis Club of Elgin." said Gretchen Vapnar, Crisis Center Executive Director.

### Multifilm

In addition to a regular monthly donation, Multifilm Packaging Corporation, an Elgin owned and operated packaging film producer, has matched employee December donations. Multifilm is one of the world's largest producers and converters of piece-wrap film. Our many thanks to Multifilm for supporting our mission.
