

LaTasha Unseld is a Speaker, Advocate, and a Survivor of Domestic Violence and Sexual Assault. Her fight for survival and tranquility, led her to sharing her testimony in hopes of inspiring victims to not give up and learning their life's purpose.

A couple of years ago LaTasha endured the worst battle of her life. She suffered multiple forms of abuse by her boyfriend of twenty years all while their son was in the home screaming of sheer terror.

Her message for other survivors is to **DON'T GIVE UP, LIVE, LOVE YOU, DISCOVER WHO YOU WERE MEANT TO BE and BE LIBERATED.**
